

I was just looking at the calendar in front of me on my desk and see that many things are getting ready to happen here at ECC. Our musicians will soon be back playing before our Morning Worship Service. We have really enjoyed having Mitch Mitchell and Mitch Peters playing for us this Summer. My calendar tells me that our Choir will begin Saturday rehearsals in November and singing in the Morning Worship Service. Sunday School will be starting the first of November. Plans are being made to begin our two Morning Worship Services the second Sunday of January. Our Women's' Auxiliary is getting ready for a full season of activities and fund raising drives. They contribute so much talent and energy to our whole program. The Men of the Church are planning various work projects to improve the beauty and maintenance of our historic church building. Our Missions Committee has been busy all Summer and will increase its emphasis even more on the mission outreach of our church around the world. You can read letters from our missionaries elsewhere in this newsletter. Thanksgiving, Advent, Christmas and New Year's Eve will be here before we know it. So, Hang On! We have a busy year and season ahead of us. As someone said the other day, "We are a growing church!" Let us grow in every way - spirit, fellowship and faithfulness.
