Getting the Word Out

One of the most important things in communications is

being able to get the

word out. That is

true in every thing

we ever do. There is

an old saying that

ten-percent never

get the word. Let's

not let that happen

in our community.

We want the entire

area around us to

know that

Everglades

Community Church

is here to stay and has been for all who would come.

Ladies Auxiliary

Jane Wallace is busy planning the programs for the coming year. If you have any suggestions as to

when the Auxiliary should meet, what programs might be interesting, and how many meetings should be held

during the coming year, please see Jane after church or call her at 774-1564. She is looking for suggestions.

Everglades Community Church is a non-denominational Christian church serving the Everglades City/South Naples area bringing a spiritual message of hope and redemption, firmly grounded in Scripture and the teaching of Jesus Christ, to our community and visitors. Please speak to the Pastor if you are interested in becoming a part of this fellowship.

FLOWERS FOR THE ALTAR

The following procedure for ordering the altar flowers is now as follows:

1. When you sign on the flower chart, please print your name and the purpose for which you are giving the flowers. Please add your telephone number in case of any question that may arise.
2. I will call you to discuss special details, i.e., color, kind of flower etc.
3. The cost will be \$30 for two vases unless a very expensive flower is desired.
4. Please **pay me** the \$30 and if you wish a receipt I will provide one to you.
5. If you have any questions please feel free to call me at 774-1564.

I shall do my very best to provide beautiful arrangements for you at the most moderate price possible. This will come about due to the fact that I will shop for the flowers.

A Word From the Pastor

I hope you will enjoy this new format of my communicating with you each and every week. It is so important to let you know what is in my mind and on my heart. We have such a wonderful congregation and fellowship at ECC. It is my hope and my prayer that we will soon see our winter visitors returning and joining us once again. We have been so fortunate in obtaining the musical talent of Mitch Peters and the singing each Sunday is thrilling, as well as his vocal solos. The

Sunday School is continuing to grow to 15 to 20 class members each and every Sunday. I hope to see at least 50 members in class during this coming season. We are making plans, hopefully, for the need to have two morning worship services by the middle of December. I would hope that our choir would begin sometime in October. The Men's Fellowship is continuing under the capable leadership of Jim Tankersley and the Women's Auxiliary will soon get underway. Let's go!
