

# ***AS I SEE IT***

*A Word from the Pastor*

By The Rev. Dr.  
Bob N. Wallace

The time has come for the complete renovation of our sanctuary which we have been talking about for the past few months. Construction began Monday, June 7th. You can now see every week how the project is progressing by visiting our web site at [www.evergladescommunitychurch.com](http://www.evergladescommunitychurch.com) and on the Home Page clicking on the BIG RED button that will take you to pictures and explanations of what is happening. This button will take you to pictures and explanations of what is happening. Lisa Marteeny will be taking pictures each week and explaining what is going on. This will be posted on our website weekly, so you can keep up to date with what is happening. We will also let you know what is planned and the schedule for completion.

While the Sanctuary is being renovated we will be having our worship services in Fellowship Hall. We will take a picture of how that looks and post it on the website.

Janie and I hope that everyone is having a good Summer and that you will remain healthy while we go through this time. God bless all of you.
